For the purposes of this warranty, a “residential application” is an installation of the product on an individual residence.

If XTREME GUARD that is used in a residential application:

- **fade resistance:** fades in colour from light and weathering exposure, as measured by a colour change of more than 5 Delta E (CIE) units; or

within 25 years after it is purchased (**Warranty Period**) then we will at our option either replace the affected product or refund the amount paid for the affected product (as adjusted on the basis of the prorated warranty schedule set out below, where applicable) to the original Purchaser of the product if:

2. within the Warranty Period the original Purchaser provides evidence of the defect, the quantity of ModWood XTREME GUARD affected by the defect and a receipt for the purchase of the defective XTREME GUARD or evidence of the age of the defective XTREME GUARD which establishes the age of the defective XTREME GUARD to our satisfaction,

except in the circumstances set out below. Where XTREME GUARD is replaced under this warranty the replacement XTREME GUARD will be covered by this warranty for the remainder of the term of this warranty.

Please note:- While the product is designed to resist fading and staining, no material is entirely fade or stain proof, particularly when subjected to years of exposure to ultraviolet (UV) rays and the elements, or when spilled substances are not properly cleaned.

Before making a claim under the stain resistance warranty, you must first try to clean the affected area and if this doesn't work then have the affected area cleaned professionally, using the cleaning procedures specified in our care and maintenance instructions (available online at www.modwood.com.au). A receipt showing the area being professionally cleaned must be provided as evidence. Note, ModWood does not reimburse these charges. Purchaser may make a claim under this warranty provided that such claim is made within 30 days after the professional cleaning.

If the Purchaser makes a valid warranty claim during years eleven (11) through twenty-five (25) after the original purchase for a residential application, recovery will be prorated. If we are providing replacement materials, we will replace the percentage listed below of the affected product; or, if we are refunding the purchase price, we will refund the percentage listed below of the amount paid for the affected product
