

The Sustainable Alternative

## ModWood Technologies Image Use Policy

Effective Date: 16/10/2024

### Introduction:

ModWood Technologies Pty Ltd. ( ABN 91 094 868 201 ) (together **we, us, our** and other similar expressions) are committed to ensure that our image library is used in a manner that respects copyright and intellectual property rights while promoting responsible and effective image usage. By accessing and using images from ModWood Technologies image library, you agree to comply with the terms and guidelines outlined in this policy.

### Image Library Usage Guidelines:

**Authorised Use:** Images from ModWood Technologies image library are authorised for use by our customers, including businesses, partners, and associates, for promotional and informational purposes directly related to ModWood Technologies and its products. However, use of images from ModWood Technologies image library for a purpose which infringes copyright or intellectual property right is expressly forbidden.

**Attribution:** Whenever possible, please attribute the source of the image as "Image courtesy of ModWood Technologies." Proper attribution helps maintain transparency and acknowledges the source of the images.

**Image Alteration:** Users are not permitted to alter, modify, or manipulate images from our library in a manner that distorts or misrepresents the original content. This includes but is not limited to changing colours, adding text, or combining images in a way that could be misleading.

**Resale and Redistribution:** Users are strictly prohibited from reselling, sublicensing, or redistributing images from ModWood Technologies image library to third parties without prior written consent from ModWood Technologies.

**Commercial Use:** Images provided by ModWood Technologies are intended for non-commercial use, primarily for the promotion of ModWood Technologies and its products. If you intend to use our images.

**Conditions of Release:** We are releasing these images on the basis that you will promote ModWood in a positive way and ModWood is property owner.

If we ask you to remove images at our choosing you will action within 24 hrs – if this does not happen we may take further action.
